

STILO

STILO SOSPESA

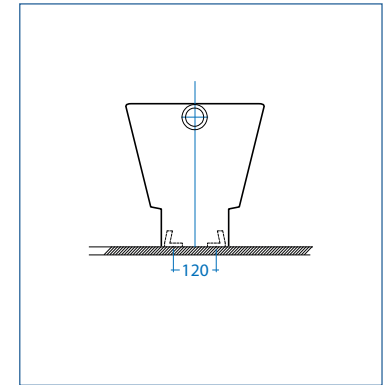

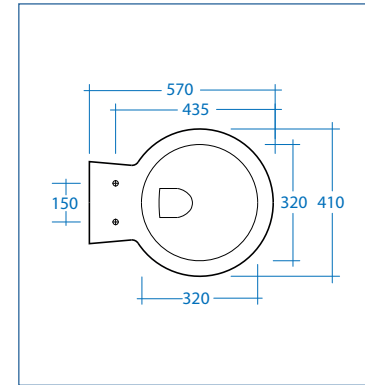

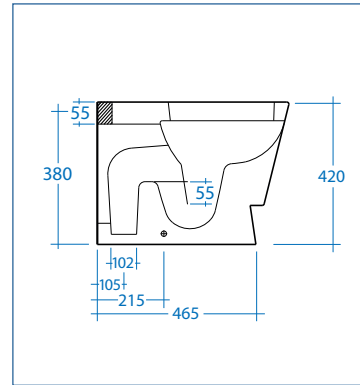

Stilo si caratterizza per il bacino a forma di tronco di cono rovesciato che ricorda le antiche tinozze. Il design particolare, ma molto attuale, è completato da un comodo sedile in termoindurente perfettamente coprente che, su richiesta, può essere anche rallentato. Disponibile anche nella versione sospesa e con monoblocco, grazie alle dimensioni contenute Stilo si adatta perfettamente anche ai bagni di piccole dimensioni. Stilo è realizzato con brida chiusa per assicurare la massima pulizia nel tempo con ogni flusso d'acqua.

Stilo is characterised for its upside down cone shaped basin, reminiscent of ancient tubs. The special design that is also trendy is complete with comfortable perfectly covering heat cured seat that may be slowed down upon request. Also available in the closed couple suspended version. Thanks to its contained size, Stilo adapts perfectly also to small sized bathrooms. Stilo is made with a closed rim to guarantee maximum hygiene through time with each flush.
